

# KNIGHTS OF NORTHWOOD MIDDLE SCHOOL

Welcome back to school! We are excited for the many things in store for our children this year!

Through PTA fundraisers, we support excellent programs and work in conjunction with the school to provide for services, school activities, supplies, technology and other items for students and their classrooms. Without your support this would not be possible.

In addition to our regular fundraisers, our PTA is raising money through Knights of Northwood. When you give to Knights of Northwood, 100% of the money stays at Northwood and is spent on your child in the current school year.

If you wish to make a direct donation to Knights of Northwood, please complete the form below. Any dollar amount is appreciated and welcomed. Individuals, families, or businesses with a cumulative donation of **\$75.00** or more will be recognized. Your donation to Knights of Northwood is tax deductible and your check can serve as your receipt for tax purposes.
